Mr. Kerry was attacked by 2 dogs when on his way to McDonalds. He was bitten on the right arm and has some scrapes under his right knee. He was treated by the EMT's on the scene. When Cathy went to the the owner of the dogs home and spoke with Mr. Adam Ciuffi and informed him that the pit and lab had bitten someone and he would be probably asked to pay

the medical bills. He was also given a warning notice informing him of the incident and let him know that the dogs cannot be let loose in the front yard without a leash. He informed her that his dogs are NEVER out of the yard that they had broke a board out the fence and that is how they got out.

Hercules was RTO, and now holds proof of spay and proof of rabies. Golden dog was not involved in incident at all.
