AGREEMENT

THIS AGREEMENT, made the 20th day of April, 2015, by and between the St. Bernard Parish Government, St. Bernard Parish, Louisiana, referred to in these Contract Documents as "OWNER" acting, as the context requires, either on its own behalf or as the governing authority of the political subdivision which has the legal authority and responsibility for this agreement and for whom the Work is being performed, and acting through its President and his authorized agents, and Revere Control Systems Inc. (CONTRACTOR's legal name) referred to in these Contract Documents as "CONTRACTOR" (the "Agreement"):

WITNESSETH THAT:

WHEREAS, in accordance with law, OWNER has caused the Contract Documents to be prepared and an Invitation to Bid to be published for and in connection with the SCADA/CAMO Project.

WHEREAS, CONTRACTOR, in response to the Invitation to Bid, has submitted to OWNER, in the manner and at the time specified, a sealed bid in accordance with the Instructions to Bidders; and

WHEREAS, OWNER, in the manner prescribed by law, has publicly opened, examined, and canvassed the bids submitted, and has determined CONTRACTOR to be entitled to the award for the Work in accordance with the law and has duly awarded to CONTRACTOR a contract therefor, for the sum or sums named in CONTRACTOR's bid.

NOW THEREFORE, in consideration of the compensation to be paid to CONTRACTOR and of the mutual agreements herein contained, the parties to these presents have agreed and hereby agree, OWNER, for itself and its successors, and CONTRACTOR for itself, and its successors and assigns, as follows:

ARTICLE I.

A. Owner, through the Parish President of St. Bernard Parish, David E. Peralta, does hereby grant and confirm unto CONTRACTOR the Contract to perform the Work under SCADA/CAMO Project, in accordance with the CONTRACTOR's written bid proposal dated November 12, 2014, a copy of which is attached hereto and made a part hereof.

B. The CONTRACTOR shall perform all Work, including the assumption of all obligations, duties and responsibilities necessary to the successful completion of the Contract and the furnishing of all materials and equipment required to be incorporated in and to form a permanent part of the Work; tools, equipment, supplies, transportation, facilities, labor, superintendence and services required to perform the Work; and Bond, insurance and submittals; all as indicated or specified in the Contract Documents to be performed or furnished by CONTRACTOR for the Work included in and covered by OWNER's official award of this Contract to CONTRACTOR; such award being based on the acceptance by OWNER of CONTRACTOR's bid.

ARTICLE II.

The Project has been designed by CDM Smith, who is hereinafter called ARCHITECT/ENGINEER and who is to act as OWNER's representative, to assume all duties and responsibilities and to have the rights and authority assigned to ARCHITECT/ENGINEER in the Contract Documents in connection with completion of the Work in accordance with the Contract Documents.

ARTICLE III.

A. All notices, letters, and other communications directed to OWNER shall be delivered or addressed and mailed (along with one copy), postage prepaid to the ARCHITECT/ENGINEER at the address in the Invitation to Bid, with one additional copy addressed and mailed to:

Department of Recovery
Hazard Mitigation Grant Program
8201 West Judge Perez Drive
Chalmette, Louisiana 70043

And

St. Bernard Parish Government
Department of Public Works
1125 E. St Bernard Highway
Chalmette, Louisiana 70043

B. In addition, one copy of all correspondence directed to the ARCHITECT/ENGINEER shall be sent to the OWNER. The business address of CONTRACTOR given in this Agreement and CONTRACTOR's office in the vicinity of the Work are both hereby designated as the places to which all notices, letters, and other communications to CONTRACTOR will be mailed or delivered. CONTRACTOR shall notify ARCHITECT/ENGINEER and OWNER of any change of address immediately.

ARTICLE IV.

That OWNER shall pay to CONTRACTOR for performance of the Work embraced in this Contract, in accordance with the Contract Documents, and CONTRACTOR shall accept as full compensation therefor, the sum (subject to adjustment as provided in the Contract Documents) of Four Million Nine Hundred Sixty Eight Thousand Four Hundred Twenty Dollars (\$4,968,420.00) for all Work covered by and included in the Contract award and designated in the foregoing Article I; payment thereof to be made in current funds in the manner provided in the Contract Documents.

Notwithstanding anything to the contrary in the foregoing, CONTRACTOR acknowledges and agrees that, pursuant to the applicable Laws and Regulations, this Agreement is subject to an annual appropriation dependency requirement to the effect that the renewal and/or continuation of this Agreement is contingent upon the appropriation of funds to fulfill the requirements of the Agreement. If the OWNER fails to appropriate sufficient monies to provide for payments under this Agreement, the Agreement shall terminate on the

last day of the last fiscal year for which funds were appropriated. This ground for termination is in addition to any other grounds that are identified in the General Conditions or the Special Provisions.

As provided in the Notice to Bidders and Section 12 of the General Conditions, estimated quantities are not guaranteed, and determinations of actual quantities and classification are to be made by ARCHITECT/ENGINEER.

ARTICLE V.

A. All work designed on the Plans and in the Specifications shall be executed and completed in all details (Final Acceptance) within 365 consecutive calendar days from the date specified in the "Order to Proceed" as the starting date for the Contract Time. The time allowed for completion of this project includes days of inclement weather as provided below and any time required for final clean-up of this project site. If agreed to by both parties in a written change order, the contract time may be extended 30 calendar days, or a fraction thereof.

B. The CONTRACTOR shall note that abnormal weather conditions shall not be an automatic cause for time extension. The Contract Time specified above includes an allowance for normal adverse weather days. The following schedule of monthly normal adverse weather conditions is based on locally collected rainfall data and constitutes the baseline for monthly weather time evaluations. Presented are the average number of days during each month that at least a tenth of an inch of rainfall was recorded over a five year evaluation period. Unless other specified, the Contractor's project work schedule shall reflect these anticipated adverse weather delays in all weather-related activities:

Monthly Anticipated Adverse Weather Days*

*Calendar Days, based on a five-day work week

ARTICLE VI.

A. OWNER and CONTRACTOR recognize and agree that time is of the essence of this Agreement and that the Work must be completed in every respect appropriate within the applicable time limits set forth in the Contract Documents, commencing from the date specified in the Contract Documents. OWNER and CONTRACTOR further understand and agree that it is difficult at this time to estimate the damage which the delay in completion of the Work would cause the OWNER and that, accordingly, if the CONTRACTOR shall neglect, fail, or refuse to complete the Work in accordance with the Contract Times specified in the Contract Documents, or any extension thereof granted by the OWNER in accordance with the applicable provisions of the Contract Documents then, in addition to the other stipulated damages provided for in Article VII below, the CONTRACTOR agrees, as a part of the consideration for the award of this Contract, that OWNER shall be entitled to receive the amount or amounts per day set forth in paragraph B below from CONTRACTOR, not as a penalty but as stipulated ("liquidated") damages for delay for such breach of contract, such amounts being specifically herein agreed upon in advance as the measure of damages to the OWNER on

account of such delay in the completion of the Work.

B. The CONTRACTOR shall owe OWNER liquidated damages in the amount of One Thousand dollars (\$1,000.00) for each and every calendar day after the time specified in Article V for Substantial Completion of the Work until the Work is determined to be substantially complete in accordance with the Contract Documents. After Substantial Completion, if the CONTRACTOR shall neglect, fail, or refuse to complete the Work within the time specified in Article V for final completion, or any proper extension thereof granted by the OWNER, CONTRACTOR shall owe OWNER liquidated damages in the amount of One Thousand dollars (\$1,000.00) for each day after the time specified in Article V for final completion until the Work is determined to be finally completed in every respect in accordance with the Contract Documents.

C. The number of calendar days in default shall be calculated exclusive of the day on which the applicable completion time was specified and shall include each and every other calendar day up to and including the day that the CONTRACTOR has been determined to satisfy its obligation for the applicable degree of completion under the Contract Documents.

D. CONTRACTOR further agrees that the expiration of the Contract Time shall, ipso facto, constitute a putting in default where CONTRACTOR has failed to complete the Work in accordance with the applicable Contract Times, and OWNER need not formally place the CONTRACTOR in default, the CONTRACTOR hereby expressly waiving any and all notices of default.

E. CONTRACTOR agrees and consents that the liquidated damages may be deducted from progress payments payable to CONTRACTOR pursuant to the Contract Documents and that CONTRACTOR shall accept the Contract Price, reduced by the aggregate amount of the liquidated damages so deducted, in full satisfaction of all Work executed under the Contract Documents.

ARTICLE VII.

NOT USED IN THIS CONTRACT

ARTICLE VIII.

CONTRACTOR shall submit Applications for Payment in accordance with the General Conditions. Applications for Payment will be processed by ARCHITECT/ENGINEER as provided in the General Conditions. OWNER shall make progress payments on account of the Contract Unit Price on the basis of CONTRACTOR's Applications for Payment as recommended by ARCHITECT/ENGINEER, as provided below. All such payments will be measured by the schedule of values (and in the case of Unit Price Work based on the number of units completed) or, in the event there is no schedule of values, as provided in the General Requirements.

Due to Federal Funding of this project and processing times for reimbursements, St. Bernard Parish Government will have Ninety (90) Days from the receiving of an invoice for payment.

Upon receipt of the Final Application for Payment, OWNER shall pay the remainder of the

Contract Price as recommended by ARCHITECT/ENGINEER as provided in the General Conditions and relevant Special Provisions.

Pursuant to LSA-R.S. 38:2248, OWNER shall retain the following percentages of each progress payment until payment is due under the terms and conditions governing retainage payment:

<u>CONTRACT AMOUNT</u>	<u>RETAINAGE</u>
\$0 - \$499,999.99	10%
\$500,000 or greater	5%

CONTRACTOR does not consider that any additional examinations, investigations, explorations, tests, studies or data are necessary for the performance and furnishing of the Work at the Contract Price, within the Contract Times and in accordance with the other terms and conditions of the Contract Documents.
4. CONTRACTOR is aware of the general nature of work to be performed by OWNER and others at the Site(s) that relate to the Work as indicated in the Contract Documents.
5. E. VERIFICATION OF COVERAGE

Lessor shall furnish the St. Bernard Parish Government with Certificates of insurance reflecting proof of coverage. The Certificates for each insurance policy are to be signed by a

In addition to the Certificates, Lessor shall submit the declarations page and the cancellation provision endorsement for each insurance policy. The St. Bernard Parish Government reserves the right to request complete certified copies of all required insurance policies at any time.

Upon failure of the Lessor to furnish, deliver and maintain such insurance as provided, this contract, at the election of the St. Bernard Parish Government, may be suspended, discontinued or terminated. Failure of the Lessor to purchase and/or maintain any required insurance shall not relieve the Lessor from any liability or indemnification under the contract.

Subcontractors shall be subject to all of the requirements stated herein. The St. Bernard Parish Government reserves the right to request copies of subcontractors Certificates at any time.

G. WORKERS COMPENSATION INDEMNITY

The parties also hereby agree that the St. Bernard Parish Government, its departments, agencies, agents and employees shall in no circumstance be, or considered as, the employer or statutory employer of Contractor, its owners, agents and employees. The parties further agree that Lessor is a wholly independent lessor and is exclusively responsible for its employees, owners, and agents. Lessor hereby agrees to protect, defend, indemnify and hold the St. Bernard Parish Government, its departments, agencies, agents and employees harmless from any such assertion or claim that may arise from the performance of this contract.

H. INDEMNIFICATION/HOLD HARMLESS AGREEMENT

Lessor agrees to protect, defend, indemnify, save and hold harmless, the St. Bernard Parish Government, all departments, Agencies, Boards and commissions, its officers, agents, servants, employees and volunteers, from and against any and all claims, damages, expenses, and liability arising out of injury or death to any person or the damage, loss or destruction of any property which may occur, or in any way grow out of, any act or omission of lessor, its agents, servants and employees, or any and all costs, expense and/or attorney fees incurred by lessor as a result of any claims, demands, suits or causes of action, except those claims, demands, suits or causes of action arising out of the negligence of the St. Bernard Parish Government, Departments, Agencies, Boards, Commissions, its officers, agents,

servants, employees and volunteers.

Lessor agrees to investigate, handle, respond to, provide defense for and defend such claims, demands, suits, or causes of action at its sole expense and agrees to bear all other costs and expenses related thereto, even if the claims, demands, suits, or causes of action are groundless, false or fraudulent.

Terms used in this Agreement which are defined in Part 1 of the General Conditions will have the meanings indicated in the General Conditions unless otherwise defined herein or the context otherwise requires.

No assignment, sublet or transfer by a party hereto of any rights under or interest in the Contract Documents will be binding on another party hereto without the written consent of the party sought to be bound; and, specifically but without limitation, moneys that may become due and moneys that are due may not be assigned without such consent (except to the extent that the effect of this restriction may be limited by law), nor without the consent of the surety unless the surety has waived its right to notice of assignment and, unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under the Contract Documents.

OWNER and CONTRACTOR each binds itself, its partners, successors, assigns, legal representatives, sureties, or guarantors, if any, to the other party hereto, its partners, successors, assigns and legal representatives in respect to all covenants, agreements and obligations contained in the Contract Documents.

CONTRACTOR yields to the jurisdiction of the 34th Judicial District Court and formally waives any pleas of lack of jurisdiction, in the event of suit under this Agreement.

Any provision or part of the Contract Documents held to be void or unenforceable under any Law or Regulation shall be deemed stricken, and all remaining provisions shall continue to be valid and binding upon OWNER and CONTRACTOR, who agree that the Contract Documents shall be reformed to replace such stricken provision or part thereof with a valid and enforceable provision that comes as close as possible to expressing the intention of the stricken provision.

(The remainder of the page intentionally left blank)

IN WITNESS WHEREOF, the parties hereto have executed this Agreement the day and year first above written in the presence of the undersigned witnesses and each signatory warrants by its signature that it has the appropriate authority to sign this Agreement.
